

## Mrs. Carvalho's Back to School Supply List:

Here is a list of supplies that your child will need to start to 4<sup>th</sup> grade. I'm giving out the list early so that you can try to take advantage of sales throughout the summer!

Items noted with an asterisk (\*) we go through a lot of. Please buy extra when you find them on sale, keep them at home, and replenish your child's supply as needed.

If specified, please LABEL items with a BLACK SHARPIE. Please also be sure your name is on all materials. Please have these by the first day of school, as we get started using them during the first week of school!

Any questions? Feel free to email me over the summer! -Mrs. C
